

# POLICY STATEMENT

**FOR: HEALTH AND SAFETY**

## POLICY

The Company recognises that it has a responsibility to ensure that all reasonable precautions are taken to provide and maintain working conditions which are safe and healthy in accordance with the Health and Safety at Work Act and all relevant statutory requirements and codes of practice.

The company will, so far as is reasonably practicable, pay attention to:

- 1 The provision and maintenance of plant and systems of work that are safe and healthy.
- 2 The arrangements for ensuring safety and absence of risk to health in connection with the use, handling, storage and transport of articles and substances.
- 3 The provision of information, instruction, training and supervision to ensure the health and safety at work of employees and others.
- 4 The control of the place of work maintaining it in a safe condition.
- 5 The provision of a safe means of access to and egress from the place of work.
- 6 The maintenance of a working environment that is safe, without risks to health and providing adequate facilities and arrangements for welfare at work.

This policy statement is reviewed annually as part of the ISO9001:2008 Management Review process.
